Pittcon Conference & Expo

Pittcon is a catalyst for the exchange of information, a showcase for the latest advances in laboratory science, and a venue for international connectivity.

Pittcon is a friendly, welcoming environment where analytical chemists at all professional levels meet. Pittcon is a platform for sharing ideas and cooperating to form new ones. Here, you will find that spark that drives your research, your career, and above all, your scientific perspective forward.

One of the foremost analytical chemistry conferences, Pittcon's Conference programs provide participants with direct access to the latest research and developments from top scientists and innovators throughout the world.

At Pittcon, our goal is to advance scientific endeavor through collaboration, bringing together a world of knowledge to impact, enrich, and inspire the future of science.

Proceeds from each and every Pittcon directly fund science education and outreach. Over 90% of Pittcon's net profit goes on to fund primary and secondary education, continuing education, scholarships, laboratory improvements, and outreach activities.

Pittcon also offers an employment bureau, networking opportunities, social events, and an environment that fosters knowledge and expands your network of scientific resources.

Finally, a Chance to Collaborate in Person!

Reconnect with colleagues, feel the instruments, and experience the sights. Celebrate bringing together a world of knowledge to impact, enrich, and inspire the future of science.

Why You Need to Attend

It's a matter of perspective, or maybe more a matter of gaining perspective. You'll be presented new ideas, new methods, new instrumentation, and there's so much more – the interactions, the conversations, the introductions.

March 18 - 22, 2023
Pennsylvania Convention Center
Philadelphia, Pennsylvania, USA
