

PERIODICALS & WEBSITES

American Laboratory® is a platform that addresses basic research, clinical diagnostics, drug discovery, environmental, food and beverage, forensics and other markets, and combines in-depth articles, news, and video to deliver the latest advances in their fields.

Webinar: ***Simplicity and Speed: High-Throughput Stability Screening with Light Scattering Techniques.*** Join us to gain a foundational understanding of high-throughput DLS and SLS techniques, along with practical insights into their application in biopharmaceutical workflows. [Access here](#)

LCGC

Chromatographyonline delivers practical, nuts-and-bolts information to help scientists and lab managers become more proficient in the use of chromatographic techniques and instrumentation. **Article:** ***A Practical Excel Tool to Support the Development of Comprehensive 2D-LC Separations.*** By Davy Guillarme, Megane Aebischer, Mathias Buff, and Sabine Heinisch. This article explores advanced oligonucleotide analysis techniques, including chromatography methods for therapeutic RNA, siRNA, and mRNA, enhancing nucleic acid research. [Read more](#)

Scientia Chromatographica

Scientia Chromatographica is the first and to date the only Latin American scientific journal dedicated exclusively to Chromatographic and Related Techniques. With a highly qualified and internationally recognized Editorial Board, it covers all chromatography topics in all their formats, in addition to discussing related topics such as “The Pillars of Chromatography”, Quality Management, Troubleshooting, Hyphenation (GC-MS, LC-MS, SPE-LC-MS/MS) and others. It also provides columns containing general information, such as: calendar, meeting report, bookstore, etc. [Read more](#) 

Select Science

SelectScience® has transformed global scientific communications and digital marketing. It informs scientists about the best products and applications, connects manufacturers with their customers to develop, promote, and sell technologies, and promotes scientists and their work. This accelerates the communication of successful science. Scientists can make better decisions using independent expert information and easily access manufacturers. SelectScience® informs the global scientific community through editorial, feature, video, and webinar programs. [Read more](#)

Spectroscopy

With the *Spectroscopy* journal, scientists, technicians, and lab managers gain proficiency through unbiased, peer-reviewed technical articles, trusted troubleshooting advice, and best-practice application solutions. **Article:** ***Recent Research in Chemometrics and AI for Spectroscopy, Part I: Foundations, Definitions, and the Integration of Artificial Intelligence in Chemometric Analysis.*** By Jerome Workman, Jr. [Read more](#)
